

Early Learning at St. Cecilia is...

Montessori Inspired

We offer a program that encourages independent growth through hands-on developmentally appropriate materials. Through the hand to brain connection students begin to construct for themselves their intellect and develop community membership. The early learning program at St. Cecilia ensures that fine motor skills are honed, literacy skills are introduced through physical movement and touch, and math learning is developed through the physical manipulation of mathematical materials. Students are met where they are, and then they are taken as far as they can go.

Experienced Based

There are multiple ways for students to translate concepts learned in the classroom into a real-world experience:

- Weekend Family Fun Field Trips
- Walks to 12 Hills Nature Center
- Annual chick hatching
- Raise several insects through the completion of their life cycle and experience their release to nature

Faith Filled

Students at St. Cecilia school strive to "Serve as Jesus did" by growing in the fruits of the Holy Spirit. Our Allelu! Program coupled with our daily prayer and hands-on religion materials help each student to grow closer to Jesus and learn about Faith.

"All three of my children have attended Pre-K here, and we simply could not have asked for better teachers for our children."

Core Values

At it's heart, St. Cecilia is a community in pursuit of these goals:

- **ACADEMIC EXCELLENCE** and individual attention
- **SPIRITUAL GROWTH** where every individual discovers the importance of Christian faith in their lives
- **ARTISTIC AND PHYSICAL DEVELOPMENT** where every individual is challenged and inspired
- **EMOTIONAL SUPPORT** where every individual is valued and respected.

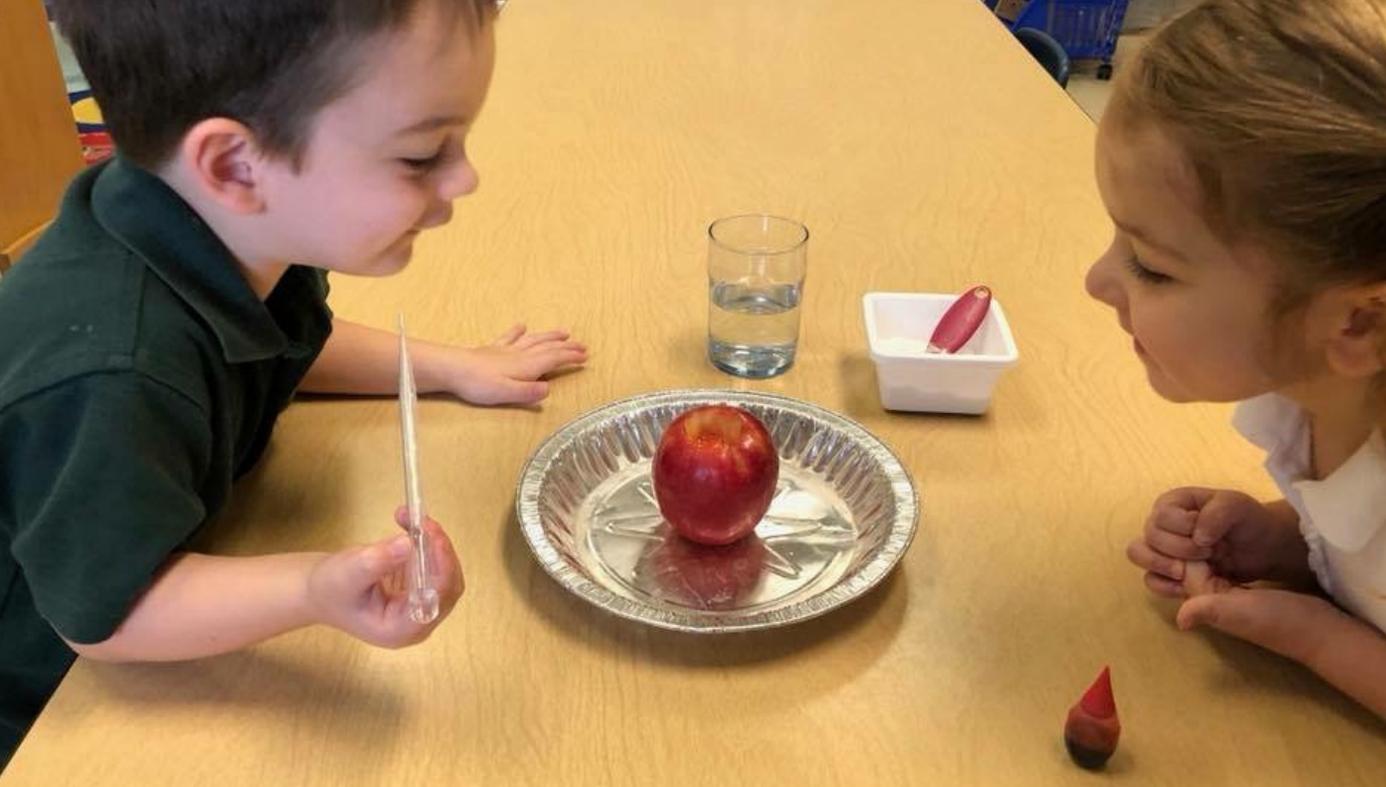

Saint Cecilia Catholic School

Preschool Program

The Vision of St. Cecilia is to provide excellence in education, respect for individual differences, a strong sense of community in a spirit of respectful service, and to minister to the social needs of our diverse population.

635 Mary Cliff Road | Dallas, Texas 75208
214-948-8628 | www.stceciliacatholic.org

St. Cecilia Catholic School provides a Pre-K through 8th Grade education. A strong Catholic, Christ-centered environment enables our students to grow spiritually, intellectually, emotionally and physically. Our community provides an environment that encourages our students to develop their own voice that will help prepare them for college and heaven.

"The teachers at St. Cecilia have taught our kids to embrace challenges and believe in their ability to meet them."

St. Cecilia Preschool Program is...

- Montessori inspired
- Differentiated
- Fosters independent growth
- Faith-filled
- Community/Service oriented
- Encourages environmental stewardship

Dual Accreditation by the Texas Catholic Conference Education Department and AdvancEd-SACS
